

# Overview

Our resources for educators offer multiple ways to engage students, parents and communities in important lessons in digital citizenship and online safety.

Empower your students to be safer online with our free collection of teaching materials for families and students in grades K-12. NetSmartz can help you create a dynamic and engaging Internet safety curriculum.

## Tip Sheets

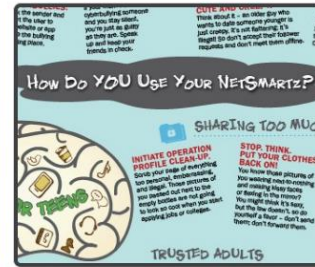

Written for tweens, teens, parents, educators, and law enforcement, these tip sheets offer guidance on navigating digital safety.
